Michael Keckler - (208) 327-7933

The Idaho Water Resource Board will hold a special emergency meeting by telephone on Wednesday, September 22, 2004. The meeting will convene at 8:00am at the Idaho Department of Water Resources Headquarters at 1301 N. Orchard in Boise.

The purpose of the meeting is to reconsider a loan request by the Live-More Lake Community near Sagle. The Association, made up of 13 homes, is asking for an additional \$6,000 to drill its new community well. The Board already loaned \$35,000 for the project but the Association says it needs \$41,000 for completion.

Association members requested an emergency meeting of the Board so that they can secure funds in time to finish drilling the well before winter.
